IT IS **OUR HABIT.**

QUALITY CONTROL PROCESS

EVERY STEP CHECKED. EVERY DETAIL PERFECTED.

At JDS Apparels Co., quality is built into every stage of production. Our dedicated quality control team ensures that every garment meets international standards and exceeds customer expectations.

01 FABRIC INSPECTION

All fabrics are inspected for color, GSM, shrinkage, defects and overall quality before cutting.

02 CUTTING INSPECTION

Every cut panel is checked for accuracy, measurements and defects to ensure perfect garment construction.

03 IN-LINE STITCHING INSPECTION

Our quality controllers monitor stitching in-line to ensure correct workmanship and standards at every stage.

04 FINISHING

Garments are pressed, threads trimmed and finished for a premium look and feel.

05 PACKING INSPECTION

Final inspection is performed on size, quantity, labeling, folding and packing to ensure error-free shipments.

06 FINAL SHIPMENT

After passing all quality checks, the order is sealed and shipped to our valued customers worldwide.
